

*Thirty*

# MINI

For so many people it's the first car in their lives. And the last one they'll ever forget. Now, a truly memorable Mini is about

to enter your life. The Mini Thirty. Exclusive. Desirable. Collectable. Celebrating thirty glorious years in quite exceptional fashion.

The Mini Thirty is an outstanding example of traditional coachbuilding values, interpreted in a thoroughly modern style.

And to commemorate this very special occasion, every Mini Thirty comes with a free, leather bound version of Rob Golding's book

'Mini Thirty Years On' – the story of a car which has simply grown younger over three decades.

*Thirty*

**MINI HAS ALWAYS BEEN A TREND-SETTER.** It was the first car to prove that small is beautiful. The first to combine extraordinary fuel economy with cheeky agility and nippy performance. And the first in countless races and rally events.

The Mini Thirty is a fitting tribute, reflecting the highest standards of quality and attention to detail.

Take your pick from a choice of two lustrous finishes; rich Black, or the latest in paint technology – Pearlescent Cherry Red. Both finishes given extra depth by an extra coat of clear lacquer.

**ELEGANCE.** Inside, the most discerning driver will approve of the atmosphere of quality and elegance. Cast your eyes over the upholstery. With its subtle blend of black leather and modern 'Lightning' cloth.

Enjoy the luxurious feel of the colour co-ordinated interior. With a sporty, leather-trimmed

steering wheel, bearing the special 'Thirty' crest. And a sumptuous cut pile carpet in deep Cherry Red.

You'll also have the pleasure of an electronic stereo radio/cassette player (security-coded to deter the light-fingered).

**SPORTING.** Traditional-style alloy wheels recall Mini's sporting nature. Whilst attractive

brightwork, a special coachline, and the unique commemorative crest all help to create the Mini Thirty's totally distinctive identity. Rest assured that Mini Thirty cares for the environment too;

it's engineered to give you the choice of unleaded (as well as leaded) fuel. The Mini is also the first small car in the UK to offer an exhaust catalyst (a dealer-fit option).

**PURE FUN.** If you've driven a Mini before, you'll know that it's pure fun from the moment

you take the wheel. The

Mini Thirty begs to be

driven, with the

responsive handling

and manoeuvrability

which run rings

round larger cars. And with those

exclusive looks, it's equally at home outside the

Dorchester or your favourite nightspot. But you'd better be prepared to

attract rather more than your fair share of attention!

The Mini Thirty. Never before has one so little offered you so much.

# Specifications

## ENGINE AND TRANSMISSION

- 4-cylinder transverse OHV 998cc engine ■ 41Ps (EEC) @ 5250 RPM
- 4 speed manual gearbox ■ Optional 4 speed automatic gearbox
- Premium (95 Ron) unleaded or 4 star (97 Ron) leaded or any mixture of the two without modification.

## SUSPENSION AND STEERING

- All independent, rubber cone springs, telescopic dampers
- Rack and pinion steering

## BRAKES, WHEELS AND TYRES

- Servo assisted dual line hydraulic system, discs front, drums rear
- Sports style alloy wheels ■ 145/70 × 12 low profile radial ply tyres

## ELECTRICAL
