MINI

THEY'RE HERE! THE SUPER FUN-PACKED MINIS! CHECK MATE, FLAME RED & RACING GREEN. PLUS! THE GREAT NEW JOHN COOPER CONVERSION!

MINI CHECK MATE

The Mini Check Mate. A Special Edition that gives a bold new expression to everything you love about Mini. Created in racy jet black with a white roof and chrome bumpers. Superb sports style alloy wheels giving an extra edge to that legendary handling. And the distinctive bonnet motif recalling countless track victories.

Inside, distinctive Black Crayons seat facings and matching door trim. A tachometer - of course. And great entertainment from a stereo radio/stereo cassette player with twin speakers. Take it for a spin - and discover the incredible, cheeky agility that makes Mini so unforgettable.

The Mini Check Mate. The difference is more than black and white.

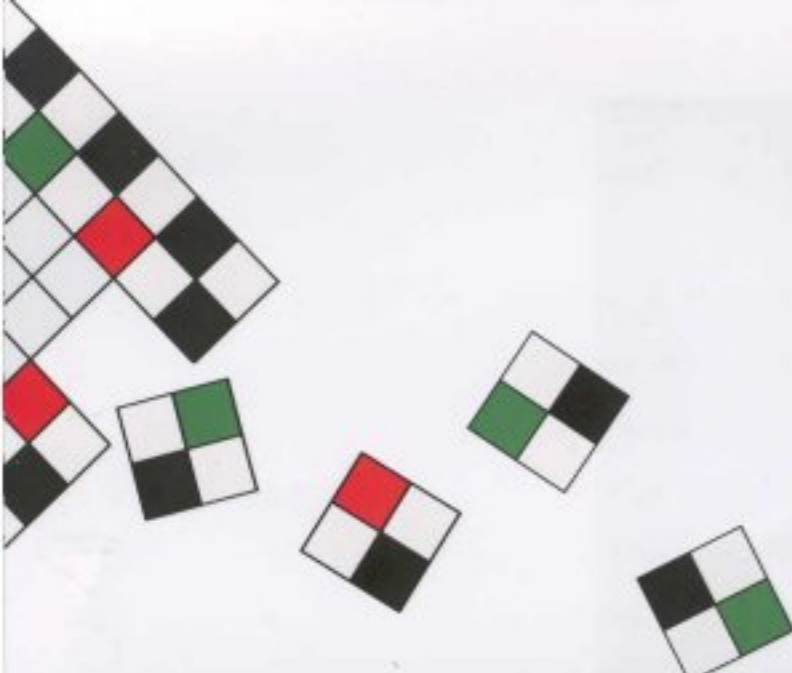

MINI FLAME RED

The Mini Flame. Coloured to make your heart beat a little faster. Getting you out of tight corners with sports alloy wheels. Grabbing the last small space in the car park; and nipping through the rush hour with casual ease. With a chic black trim inside. A tachometer. And great sound from the stereo radio/stereo cassette player.

What more could you ask for? Get behind that sporty steering wheel. And find out why Minis have more fun.

The Mini Racing. It's a sportsman born and bred; unbeatably stylish, fantastic fun to drive.

The first edition went fast. So fast that there just weren't enough to go round. So here's your chance to possess one of the most collectable Minis ever. Now with stunning sports alloy wheels complementing the gleaming coachwork and chrome bumpers.

It looks good inside, with Black Crayons seat facings, matching door trim, even a tachometer. It sounds good too, with a stereo radio/stereo cassette player and twin speakers. And it's even more fun to drive. The Mini Racing. Mean on fuel, and as green* as you like. And the sports gearing makes it the hottest little mover in town.

**All Minis take unleaded (or leaded) fuel. Minis with manual transmission are available with an exhaust catalyst as a dealer fit option.*
