MINI CHECK MATE

The Mini Check Mate. A Special Edition that gives a bold new expression to everything you love about Mini. Created in racy jet black with a white roof and chrome bumpers. Superb sports style alloy wheels giving an extra edge to that legendary handling. And the distinctive bonnet motif recalling countless track victories.

Inside, distinctive Black Crayons seat facings and matching door trim. A tachometer - of course. And great entertainment from a stereo radio/stereo cassette player with twin speakers. Take it for a spin - and discover the incredible, cheeky agility that makes Mini so unforgettable.

The Mini Check Mate. The difference is more than black and white.
