

MINI

SKY AND ROSE

Y

You set fashions, you don't follow them.

And it shows. In the clothes
you wear. The friends you choose.

And the car you drive. A car that's got
a chic all its own. And a cheek like no other.

The Mini Sky. White, with a blue as cool as you are.

The Mini Rose. In the pink of style. And both just as
special inside, with unique Crayons seat fabrics and
complementary door trim.

Finished off with a stereo radio/cassette player to
keep you entertained between parties.

Mini. Inimitable as always.
